

Börger manufactures of a wide range of maritime products; tailor-made or standard. Our strength is our capability to produce in steel, stainless steel, non-ferrous metals and synthetic materials. Without concessions on quality, we manufacture short-term against a fair price level:

- ladders, stairs and platforms
- st.st. compass platforms
- gangways
- railings
- hatches and louvers
- spray-, weather- and watertight doors
- oiltanks
- ventilation cowls
- bollards
- masts
- housings
- foundations and supports
- engineroom floors

Börger enjoys a longstanding reputation for high quality craftsmanship, reliability and versatility!
